Objections not timely filed and served in the manner set forth above shall not be considered and shall be deemed overruled.**

3. Temporary Allowance Of Claims. The following persons or entities, among others, are not entitled to vote on the Plan and, therefore, will not receive a ballot: holders of (a) unimpaired claims, (b) claims and interests who will receive no distribution under the Plan, (c) claims and interests that have been scheduled as contingent, unliquidated, or disputed and for which (i) no proof of claim was timely filed and (ii) no Rule 3018(a) Motion (as defined below) has been filed by the Rule 3018(a) Motion Deadline (as defined below), and (d) claims and interests that are the subject of an objection filed by the Debtors (except to the extent and in the manner as may be set forth in the objection). If you disagree with the Debtors' classification of, or objection to, your claim or interest and believe that you should be entitled to vote on the Plan, then you must (x) have timely filed a proof of claim by the applicable bar date or your proof of claim must be deemed timely filed by an order of the Bankruptcy Court before the Voting Deadline, (y) contact the Creditor Voting Agent (as set forth below) to obtain a ballot and file the ballot by the Voting Deadline (as defined below), and (z) timely file and serve a motion for order under Fed. R. Bankr. P. 3018(a) (a "Rule 3018(a) Motion") seeking temporary allowance of your claim for the purpose of accepting or rejecting the Plan. The Rule 3018(a) Motion must be filed with the Clerk of the Court on

or before **January 2, 2008 at 4:00 p.m.** (prevailing Eastern time) (the "Rule 3018(a) Motion Deadline") and served so as to be received by the Notice Parties (as defined in the Solicitation Procedures Order) by the Rule 3018(a) Motion Deadline in accordance with the procedures set forth in the Solicitation Procedures Order; provided, however, that if the Debtors object to a claim or interest after December 21, 2007, the Rule 3018(a) Motion Deadline would be extended for that claim or interest such that the deadline would be ten days following the filing of the Debtors' objection.

4. Provisional Votes. Any party who has (a) timely filed a proof of claim (as stated above) and (b) files and serves a Rule 3018(a) Motion in accordance with the paragraph above shall be permitted to cast a provisional vote to accept or reject the Plan. If, and to the extent that, the Debtors and such party are unable to resolve the issues raised by the Rule 3018(a) Motion before the Voting Deadline, then at the Confirmation Hearing the Court will determine whether the provisional ballot is to be counted as a vote on the Plan and, if so, in what amount. Rule 3018(a) Motions that are not timely filed and served in the manner set forth above will not be considered, and the claims or interests referred to therein will not be counted in determining whether the Plan has been accepted or rejected.

5. Cure Claim Submission Deadline. The Plan provides that any contracts not specifically identified as rejected contracts in Exhibit 8.1(a) to the Plan (to be filed on December 28, 2007, and available at no charge as set forth in paragraph 10 below) will be assumed under the Plan. Any party to an executory contract or unexpired lease that is not rejected and to whom the Debtor did not send a Cure Amount Notice pursuant to Article 8.2(a) of the Plan, and who wishes to assert that cure is required as a condition of assumption of its contract, must file a proposed cure claim ("Cure Claim") in accordance with Article 8.2(b) of the Plan within 45 days after entry of an order confirming the Plan (the "Cure Claim Submission Deadline"), after which the Debtors or Reorganized Debtors, as the case may be, will have 45 days to file any objections thereto. Should a party to an executory contract or unexpired lease not file a proposed Cure Claim by the Cure Claim Submission Deadline in accordance with the procedures set forth in Article 8.2(b) of the Plan, then any default then existing will be deemed cured as of the day following the Cure Claim Submission Deadline and such party will forever be barred from asserting against the Debtors or the Reorganized Debtors, as applicable, a claim that arose on or prior to the confirmation date of the Plan. If there is a dispute regarding (i) the nature or amount of any Cure Amount, (ii) the ability of any Reorganized Debtor or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed, or (iii) any other matter pertaining to assumption, the matter shall be set for hearing in the Bankruptcy Court on the next available hearing date, or such other date as may be agreed upon, and cure, if any, shall occur following the entry of a final order of the Bankruptcy Court resolving the dispute and approving the assumption or assumption and assignment, as the case may be; provided, however, that if there is a dispute as to the amount of cure that cannot be resolved consensually among the parties, the Debtors shall have the right to reject the contract or lease for a period of five days after entry of a final order establishing a cure amount in excess of that asserted by the Debtors.

6. Treatment Of Certain Claims. Any holder of a claim that (a) is scheduled in the Debtors' schedules of assets and liabilities, dated April 18, 2006, or any amendment thereof (the "Schedules"), at zero or in an unknown amount or as disputed, contingent, or unliquidated and is not the subject of a timely filed proof of claim or a proof of claim deemed timely filed with the Bankruptcy Court under either the Bankruptcy Code or any order of the Bankruptcy Court or otherwise deemed timely filed under applicable law, or (b) is not scheduled and is not the subject of a timely filed proof of claim or a proof of claim deemed timely filed with the Bankruptcy Court under either the Bankruptcy Code or any order of the Bankruptcy Court or otherwise deemed timely filed under applicable law, will not be treated as a creditor with respect to the claim for purposes of (i) receiving notices regarding, or distributions under, the Plan or (ii) voting on the Plan. Unless otherwise provided in the Plan, any holder of a claim who is otherwise entitled to vote on the Plan and who filed against the Debtors a proof of claim reflecting a claim or portion of a claim that is unliquidated, will have such claim allowed temporarily for voting purposes

only, and not for purposes of allowance or distribution, for that portion of the claim that is not unliquidated and no amount shall be allocated for voting purposes on account of the unliquidated portion. Fully unliquidated claims shall be counted for purposes of determining whether a sufficient number of the allowed claims in the applicable class has voted to accept the Plan, but the allowed amount of the fully unliquidated claim shall be \$1.00 for voting purposes, subject to the right of the holder to file a Rule 3018(a) Motion. Unless otherwise provided in the Plan, any holder of a claim that is contingent will have such claim temporarily disallowed for voting purposes, subject to the right of such holder to file a Rule 3018(a) Motion.

7. Record Date. November 26, 2007 is the record date for determining (a) the holders of Debtors' publicly traded debt and equity securities (the "Securities") entitled to receive solicitation packages and (b) the creditors entitled to vote to accept or reject the Plan.

8. Voting Deadline. If you hold a claim against or an equity interest or other interest in one of the Debtors as of November 26, 2007, the Record Date as established in the Solicitation Procedures Order, and are entitled to vote to accept or reject the Plan, you have received this Notice with a ballot form and voting instructions appropriate for your claim or interest. For your vote to be counted, ballots to accept or reject the Plan must be executed, completed, and RECEIVED by **7:00 p.m.** (prevailing Eastern time) on **January 11, 2008** (the "Voting Deadline") by the appropriate voting agent, Financial Balloting Group (the "Securities Voting Agent"), for holders of Securities, or Kurtzman Carson Consultants LLC (the "Creditor Voting Agent"), for all other creditors, at:

9. Injunction To Enforce Releases And Exculpation In The Plan. **The Plan proposes to release and exculpate various parties and to enjoin the pursuit of any claims subject to the releases and exculpation. The releases generally provide that the Debtors, the Debtors' present and certain former officers and directors, the official committee of unsecured creditors, the official committee of equity security holders, the DIP agent, the DIP lenders, all professionals retained in these cases, the plan investors, the unions representing the Debtors' employees and former employees, General Motors Corporation, and certain related persons and entities, will receive releases from the Debtors' present and former creditors and equity security holders, certain hourly employees and former employees of the Debtors, and certain related persons and entities, with respect to any claims or causes of actions existing as of the effective date of the Plan that relate to the Debtors or the Debtors' chapter 11 cases. These released parties will also be exculpated generally from Debtor-related liability by all parties.**

EXHIBIT G

December 10, 2007

The Official Committee of Unsecured Creditors (the “Committee”) in the chapter 11 cases of Delphi Corporation (“Delphi”) and certain of its affiliates (collectively, the “Debtors”) is providing this letter to all holders of General Unsecured Claims against the Debtors to provide information relating to the Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-in-Possession (the “Plan”).¹ The Committee is providing this letter to help all unsecured creditors understand the Plan, including the proposed treatment of unsecured claims. The Committee therefore **strongly** recommends you read this letter carefully before you vote.

The Committee supports the Plan because it believes that the Plan represents the best transaction reasonably available at this time. Accordingly, the Committee recommends that you vote in favor of the Plan. While it is possible that a better transaction may be available in the future, the Committee believes that the potential risks of delay outweigh the potential benefits that might be achieved. However, before you vote on the Plan, there are a number of things you should understand; and you should consider your vote carefully.

Under the Plan you will not be receiving a check, or any cash at all, but instead will be receiving stock and the right to purchase more stock.

1. Approximately 77.3% of your recovery will come in the form of common stock of Reorganized Delphi. While the Plan assumes that such stock is worth \$59.61 per share (the “Plan Value”), there is no guaranty that the stock will in fact trade at that value.

2. Approximately 22.7% of your recovery will come in the form of the right (a “Stock Purchase Right”), for a limited period of time, to purchase additional shares of common stock of reorganized Delphi, at a price of \$38.39 per share (35.6% less than Plan Value). Each Stock Purchase Right allows you to purchase one (1) share of common stock of Reorganized Delphi for \$38.39. Because these Stock Purchase Rights represent a material portion of your recovery, it is important that you understand both the rights and the ways in which you may realize their value, if any. Therefore, please read the following two paragraphs very carefully.

3. There are two ways to realize the value of the Stock Purchase Rights: (a) exercise them (i.e., purchase more common stock) or (b) sell them. If you would like to exercise your Stock Purchase Rights and purchase common stock of reorganized Delphi, you should follow the instructions in the exercise form that you will receive following confirmation of the Plan. Alternately, the Stock Purchase Rights may be sold, if there are parties who wish to buy them. **If you wish to consider selling your Stock Purchase Rights, you should contact a securities broker promptly, even in advance of Plan confirmation.**

4. The rights to purchase common stock of reorganized Delphi will expire approximately twenty days after the Plan is confirmed. The exercise period for the Stock Purchase Rights will be twenty days. Because the forms pursuant to which you will be able to exercise the Stock Purchase Rights will be mailed at the commencement of the twenty day exercise period, when you receive those forms you will actually have fewer than twenty days remaining before the Stock Purchase Rights will expire. As a result, whether you decide to exercise or sell your Stock Purchase Rights, you should act **promptly** so that you may do so prior to their expiration.

¹ Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to them in the Plan.

Pg 38 of 1000
**THE DELPHI CORPORATION OFFICIAL COMMITTEE
OF EQUITY SECURITY HOLDERS**

December 10, 2007

To the holders of Delphi Corporation common stock:

The Official Committee (the “Equity Committee”) of Equity Security Holders (“Equity Holders”) of Delphi Corporation (“Delphi”) writes this letter in connection with the First Amended Joint Plan of Reorganization (the “Plan”) of Delphi Corporation and Certain Affiliates, Debtors and Debtors-In-Possession (collectively with Delphi, the “Debtors”). The Equity Committee is a statutory committee appointed by the United States Trustee to represent the interests of Equity Holders. You are receiving this letter because you are a holder of shares of common stock of Delphi (the “Existing Common Stock”).

You should carefully read the Plan and related First Amended Disclosure Statement to determine whether to vote to accept or reject the Plan. The Equity Committee is writing this letter to inform you that the Equity Committee supports confirmation of the Plan and recommends that Equity Holders vote to accept the Plan.

Background regarding Chapter 11 and the Enclosed Documents

On October 8 and 14, 2005, Delphi and certain of its United States subsidiaries and affiliates filed petitions under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As a result, Delphi and those subsidiaries and affiliates became debtors and debtors in possession under chapter 11.

Chapter 11 of the Bankruptcy Code allows a debtor to propose a plan of reorganization that provides for the treatment of claims against, and interests in, the debtor. A disclosure statement is filed with the plan of reorganization to provide holders of claims and interests with information about the debtor and the plan of reorganization. The disclosure statement must be approved by the Bankruptcy Court before votes may be solicited on a plan of reorganization. A plan of reorganization must be voted on by holders of claims and interests and then must meet various standards to be confirmed by the Bankruptcy Court. Consummation of a confirmed plan of reorganization is how a debtor emerges from chapter 11.

On December 10, 2007 the Bankruptcy Court entered an order (Docket No. 11389) (i) approving the disclosure statement (the “Disclosure Statement”) with respect to the Plan and (ii) authorizing the Debtors to solicit votes on the Plan. The purpose of the Disclosure Statement is to provide to the holders of claims against, and interests in the Debtors, including the holders of Existing Common Stock, adequate information to make an informed judgment about the Plan.

The Equity Committee

The Equity Committee was appointed on April 28, 2006 and engaged Fried, Frank, Harris, Shriver & Jacobson LLP as its attorneys, and Houlihan Lokey Howard & Zukin as its financial advisor. The Equity Committee and its professional advisors have been actively involved in the Debtors' chapter 11 cases. The distributions embodied in the Plan are a result of negotiations between the constituencies in these chapter 11 cases and represents, in the Equity Committee's view, a reasonable distribution on Equity Holders' interests, as compared with the prospect of protracted litigation. In that regard, the Equity Committee supports the Plan.

Distributions to Equity Holders under the Plan

The Plan provides that the Existing Common Stock will be canceled on the date the Plan becomes effective (the "Effective Date"), which the Debtors currently expect to occur towards the end of February 2008. Under the Plan, each Equity Holder will receive its pro rata distribution of (1) 461,522 shares of New Common Stock of Reorganized Delphi having an aggregate Plan Equity Value of \$27.5 million, (2) freely transferable six-month warrants to purchase \$1.0 billion of New Common Stock of Reorganized Delphi struck at a 9.0% premium to Plan Equity Value (\$59.61 per share), (3) freely transferable seven-year warrants to purchase 6,908,758 shares of New Common Stock of Reorganized Delphi struck at a 20.7% premium to Plan Equity Value, (4) freely transferable ten-year warrants to purchase 2,819,901 shares of New Common Stock of Reorganized Delphi struck at Plan Equity Value and (5) non-transferable par value rights to purchase approximately 21,680,996 shares of the New Common Stock of Reorganized Delphi struck at Plan Equity Value (the "Par Value Rights"). The Disclosure Statement states that the estimated total value of these distributions to all Equity Holders is \$348 million. The distributions will only be made if the Plan is confirmed by the Bankruptcy Court and the Debtors satisfy all conditions to consummation of the Plan, except to the extent waived. In addition, pursuant to the Plan, in consideration for the distributions under the Plan, Equity Holders will be providing releases to the Debtors and various parties, including General Motors, as specified in Article XI of the Plan.

1. New Common Stock Distribution

The Plan provides that, as a holder of Existing Common Stock, you will receive one share of New Common Stock for approximately every 1,218 shares of Existing Common Stock that you hold on the Effective Date. To the extent you hold less than 1,218 shares, please see Section 6 below.

2. Six-Month Warrants

The Plan provides that, as a holder of Existing Common Stock, you will also receive Six-Month Warrants to purchase one share for approximately every 37 shares of Existing Common Stock that you hold on the Effective Date. To the extent you hold less than 37 shares, please see Section 6 below. Each Six-Month Warrant will give you the right to purchase one share of the New Common Stock for \$65.00 per share (a 9.0% premium to the Plan Equity Value). The

terms of the Six-Month Warrants are described in Section IX.F.17(b) of the Disclosure Statement.

3. Seven-Year Warrants

The Plan provides that, as a holder of Existing Common Stock, you will also receive Seven-Year Warrants to purchase one share for approximately every 82 shares of Existing Common Stock that you hold on the Effective Date. To the extent you hold less than 82 shares, please see Section 6 below. Each Seven-Year Warrant will give you the right to purchase one share of the New Common Stock for \$71.93 per share (a 20.7% premium to the Plan Equity Value). The terms of the Seven-Year Warrants are described in Section IX.F.17(a) of the Disclosure Statement.

4. Ten-Year Warrants

The Plan provides that, as a holder of Existing Common Stock, you will also receive Ten-Year Warrants to purchase one share for approximately every 200 shares of Existing Common Stock that you hold on the Effective Date. To the extent you hold less than 200 shares, please see Section 6 below. Each Ten-Year Warrant will give you the right to purchase one share of the New Common Stock for \$59.61 per share (the Plan Equity Value). The terms of the Ten-Year Warrants are described in Section IX.F.17(c) of the Disclosure Statement.

5. Par Value Rights

The Plan provides that, as a holder of Existing Common Stock, you will also receive non-transferable Par Value Rights to purchase one share of New Common Stock for approximately every 26 shares of Existing Common Stock that you hold as of the close of business on the date when the Confirmation Hearing commences. To the extent you hold less than 26 shares, please see Section 6 below. The purchase price for these shares of New Common Stock will be \$59.61 per share (the Plan Equity Value). These rights will be exercisable during the Rights Offering period as described in the Disclosure Statement, but they will not be transferable.

To the extent parties believe the Par Value Rights have value, such value should theoretically be reflected in the price of the Existing Common Stock in the market. In that regard, if you do not choose to exercise your Par Value Rights under the Par Value Rights Offering, it may still be possible to realize value in respect of the rights by selling your shares of Existing Common Stock prior to the Rights Offering Record Date. If you do not exercise your Par Value Rights or sell your Existing Common Stock, the value attributable to such rights (if any) will be forfeited. Holders of Existing Common Stock are encouraged to carefully review the Disclosure Statement and Plan and consult their own advisors in making any determination with respect to the exercise of rights or the sale of shares of Existing Common Stock. **The Equity Committee does not make any recommendation with respect to any exercise of rights or the sale of shares of Existing Common Stock.**

6. Distributions of Fractional Securities

As set forth in Article 9.10 of the Plan, the Debtors will not make distributions of fractional securities of New Common Stock to holders of Existing Common Stock. In addition and also as set forth in Article 9.10 of the Plan, the Debtors will not make distributions of fractional New Warrants to holders of Existing Common Stock unless you elect otherwise as described in the paragraph below. The minimum amount of shares required to receive at least one full share of New Common Stock and at least one Six-Month Warrant, Seven-Year Warrant, Ten-Year Warrant and Par Value Right exercisable to purchase at least one full share of New Common Stock are set forth above. If you hold less than the specified amount of shares of Existing Common Stock, you will receive the following treatment: Reorganized Delphi will aggregate all fractional shares of New Common Stock (the "Fractional Shares") and, unless you elect otherwise as described below, will aggregate all fractional New Warrants (the "Fractional Warrants") that would otherwise be distributable to Equity Holders and will sell such securities on the open market. The proceeds of such sale will then be distributed by Reorganized Delphi pro rata to all Equity Holders who would have otherwise been entitled to receive Fractional Shares or Fractional Warrants. There can be no assurances as to the price at which Reorganized Delphi may be able to sell such securities, including whether such prices will be at the levels set forth in the Disclosure Statement with respect to such securities, or the amount of distributions to be made therefrom.

In lieu of the treatment set forth above, Equity Holders will have the right to elect to receive their Fractional Warrants instead of the cash distribution described above. There are important procedures set forth on the ballot included in the solicitation materials enclosed herewith that must be followed in order to elect to receive Fractional Warrants. A Fractional Warrant will not be exercisable unless it is aggregated with other like Fractional Warrants so that when exercised, in the aggregate, such Fractional Warrants result in the purchase of a whole share of New Common Stock. In other words, Fractional Warrants cannot be exercised for Fractional Shares and must be combined so that Reorganized Delphi issues only whole shares. There can be no assurances that a market will develop for the Fractional Warrants and Equity Holders are encouraged to consult with their own advisors when determining whether to elect to receive Fractional Warrants.

Voting on the Plan

Please be reminded that your vote to accept or reject the Plan as indicated on the enclosed ballots must be received in accordance with the instructions on your ballot such that the voting agent (Financial Balloting Group LLC) receives your vote, whether directly or through your nominee pursuant to a master ballot, on or before the Voting Deadline, which is January 11, 2008, at 7:00 p.m. prevailing Eastern time. Please refer to the enclosed Confirmation Hearing Notice, the instructions attached to the ballots, and Article II of the Disclosure Statement for information regarding voting. Until the Plan is voted upon by the Debtors' constituencies, confirmed by the Bankruptcy Court, and the conditions to the Plan are satisfied or otherwise waived, the terms described in the Plan and in the Disclosure Statement (and the contemplated distributions and recoveries) are not effective. The Plan cannot be implemented until it has been confirmed by the Bankruptcy Court.

Additional Information

This letter is not meant to provide a complete description of the Plan's treatment of Equity Holders' interests and is not a substitute for the information contained in the Plan and Disclosure Statement and the other accompanying documents. You should review the Plan and Disclosure Statement to understand the Plan's effect on your interests in Delphi and the procedures with respect to voting on the Plan.

Sincerely,

The Official Committee of
Equity Security Holders

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). Check the "Limited liability company" box only and enter the appropriate code for the tax classification ("D" for disregarded entity, "C" for corporation, "P" for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line.

For an LLC classified as a partnership or a corporation, enter the LLC's name on the "Name" line and any business, trade, or DBA name on the "Business name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
 2. The United States or any of its agencies or instrumentalities,
 3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
 4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
 5. An international organization or any of its agencies or instrumentalities.
- Other payees that may be exempt from backup withholding include:
6. A corporation,
 7. A foreign central bank of issue,
 8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
 9. A futures commission merchant registered with the Commodity Futures Trading Commission,
 10. A real estate investment trust,
 11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
 12. A common trust fund operated by a bank under section 584(a),
 13. A financial institution,
 14. A middleman known in the investment community as a nominee or custodian, or
 15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

Instructions for Form W-8BEN

(Rev. February 2006)

Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

For definitions of terms used throughout these instructions, see *Definitions* on pages 3 and 4.

Purpose of form. Foreign persons are subject to U.S. tax at a 30% rate on income they receive from U.S. sources that consists of:

- Interest (including certain original issue discount (OID));
- Dividends;
- Rents;
- Royalties;
- Premiums;
- Annuities;
- Compensation for, or in expectation of, services performed;
- Substitute payments in a securities lending transaction; or
- Other fixed or determinable annual or periodical gains, profits, or income.

This tax is imposed on the gross amount paid and is generally collected by withholding under section 1441 or 1442 on that amount. A payment is considered to have been made whether it is made directly to the beneficial owner or to another person, such as an intermediary, agent, or partnership, for the benefit of the beneficial owner.

In addition, section 1446 requires a partnership conducting a trade or business in the United States to withhold tax on a foreign partner's distributive share of the partnership's effectively connected taxable income. Generally, a foreign person that is a partner in a partnership that submits a Form W-8 for purposes of section 1441 or 1442 will satisfy the documentation requirements under section 1446 as well. However, in some cases the documentation requirements of sections 1441 and 1442 do not match the documentation requirements of section 1446. See Regulations sections 1.1446-1 through 1.1446-6. Further, the owner of a disregarded entity, rather than the disregarded entity itself, shall submit the appropriate Form W-8 for purposes of section 1446.

If you receive certain types of income, you must provide Form W-8BEN to:

- Establish that you are not a U.S. person;
- Claim that you are the beneficial owner of the income for which Form W-8BEN is being provided or a partner in a partnership subject to section 1446; and

- If applicable, claim a reduced rate of, or exemption from, withholding as a resident of a foreign country with which the United States has an income tax treaty.

You may also be required to submit Form W-8BEN to claim an exception from domestic information reporting and backup withholding for certain types of income that are not subject to foreign-person withholding. Such income includes:

- Broker proceeds.
- Short-term (183 days or less) original issue discount (OID).
- Bank deposit interest.
- Foreign source interest, dividends, rents, or royalties.
- Proceeds from a wager placed by a nonresident alien individual in the games of blackjack, baccarat, craps, roulette, or big-6 wheel.

You may also use Form W-8BEN to certify that income from a notional principal contract is not effectively connected with the conduct of a trade or business in the United States.

A withholding agent or payer of the income may rely on a properly completed Form W-8BEN to treat a payment associated with the Form W-8BEN as a payment to a foreign person who beneficially owns the amounts paid. If applicable, the withholding agent may rely on the Form W-8BEN to apply a reduced rate of withholding at source.

Provide Form W-8BEN to the withholding agent or payer before income is paid or credited to you. Failure to provide a Form W-8BEN when requested may lead to withholding at a 30% rate (foreign-person withholding) or the backup withholding rate.

Additional information. For additional information and instructions for the withholding agent, see the Instructions for the Requester of Forms W-8BEN, W-8ECI, W-8EXP, and W-8IMY.

Who must file. You must give Form W-8BEN to the withholding agent or payer if you are a foreign person and you are the beneficial owner of an amount subject to withholding. Submit Form W-8BEN when requested by the withholding agent or payer whether or not you are claiming a reduced rate of, or exemption from, withholding.

Do not use Form W-8BEN if:

- You are a U.S. citizen (even if you reside outside the United States) or other U.S. person (including a resident alien individual). Instead, use Form W-9, Request for Taxpayer Identification Number and Certification.
- You are a disregarded entity with a single owner that is a U.S. person and you are not a hybrid entity claiming treaty benefits. Instead, provide Form W-9.

- You are a nonresident alien individual who claims exemption from withholding on compensation for independent or dependent personal services performed in the United States. Instead, provide Form 8233, Exemption from Withholding on Compensation for Independent (and Certain Dependent) Personal Services of a Nonresident Alien Individual, or Form W-4, Employee's Withholding Allowance Certificate.
- You are receiving income that is effectively connected with the conduct of a trade or business in the United States, unless it is allocable to you through a partnership. Instead, provide Form W-8ECI, Certificate of Foreign Person's Claim That Income Is Effectively Connected With the Conduct of a Trade or Business in the United States. If any of the income for which you have provided a Form W-8BEN becomes effectively connected, this is a change in circumstances and Form W-8BEN is no longer valid. You must file Form W-8ECI. See *Change in circumstances* on this page.
- You are filing for a foreign government, international organization, foreign central bank of issue, foreign tax-exempt organization, foreign private foundation, or government of a U.S. possession claiming the applicability of section 115(2), 501(c), 892, 895, or 1443(b). Instead, provide Form W-8EXP, Certificate of Foreign Government or Other Foreign Organization for United States Tax Withholding. However, you should use Form W-8BEN if you are claiming treaty benefits or are providing the form only to claim you are a foreign person exempt from backup withholding. You should use Form W-8ECI if you received effectively connected income (for example, income from commercial activities).
- You are a foreign flow-through entity, other than a hybrid entity, claiming treaty benefits. Instead, provide Form W-8IMY, Certificate of Foreign Intermediary, Foreign Flow-Through Entity, or Certain U.S. Branches for United States Tax Withholding. However, if you are a partner, beneficiary, or owner of a flow-through entity and you are not yourself a flow-through entity, you may be required to furnish a Form W-8BEN to the flow-through entity.
- You are a disregarded entity for purposes of section 1446. Instead, the owner of the entity must submit the form.
- You are a reverse hybrid entity transmitting beneficial owner documentation provided by your interest holders to claim treaty benefits on their behalf. Instead, provide Form W-8IMY.
- You are a withholding foreign partnership or a withholding foreign trust within the meaning of sections 1441 and 1442 and the accompanying regulations. A withholding foreign partnership or a withholding foreign trust is a foreign partnership or trust that has entered into a withholding agreement with the IRS under which it agrees to assume primary withholding responsibility for each partner's, beneficiary's, or owner's distributive share of income subject to withholding that is paid to the partnership or trust. Instead, provide Form W-8IMY.
- You are acting as an intermediary (that is, acting not for your own account, but for the account of others as an agent, nominee, or custodian). Instead, provide Form W-8IMY.
- You are a foreign partnership or foreign grantor trust for purposes of section 1446. Instead, provide Form

W-8IMY and accompanying documentation. See Regulations sections 1.1446-1 through 1.1446-6.

Giving Form W-8BEN to the withholding agent. Do not send Form W-8BEN to the IRS. Instead, give it to the person who is requesting it from you. Generally, this will be the person from whom you receive the payment, who credits your account, or a partnership that allocates income to you. Give Form W-8BEN to the person requesting it before the payment is made to you, credited to your account or allocated. If you do not provide this form, the withholding agent may have to withhold at the 30% rate, backup withholding rate, or the rate applicable under section 1446. If you receive more than one type of income from a single withholding agent for which you claim different benefits, the withholding agent may, at its option, require you to submit a Form W-8BEN for each different type of income. Generally, a separate Form W-8BEN must be given to each withholding agent.

Note. If you own the income or account jointly with one or more other persons, the income or account will be treated by the withholding agent as owned by a foreign person if Forms W-8BEN are provided by all of the owners. If the withholding agent receives a Form W-9 from any of the joint owners, the payment must be treated as made to a U.S. person.

Change in circumstances. If a change in circumstances makes any information on the Form W-8BEN you have submitted incorrect, you must notify the withholding agent or payer within 30 days of the change in circumstances and you must file a new Form W-8BEN or other appropriate form.

If you use Form W-8BEN to certify that you are a foreign person, a change of address to an address in the United States is a change in circumstances. Generally, a change of address within the same foreign country or to another foreign country is not a change in circumstances. However, if you use Form W-8BEN to claim treaty benefits, a move to the United States or outside the country where you have been claiming treaty benefits is a change in circumstances. In that case, you must notify the withholding agent or payer within 30 days of the move.

If you become a U.S. citizen or resident alien after you submit Form W-8BEN, you are no longer subject to the 30% withholding rate or the withholding tax on a foreign partner's share of effectively connected income. You must notify the withholding agent or payer within 30 days of becoming a U.S. citizen or resident alien. You may be required to provide a Form W-9. For more information, see Form W-9 and instructions.

Expiration of Form W-8BEN. Generally, a Form W-8BEN provided without a U.S. taxpayer identification number (TIN) will remain in effect for a period starting on the date the form is signed and ending on the last day of the third succeeding calendar year, unless a change in circumstances makes any information on the form incorrect. For example, a Form W-8BEN signed on September 30, 2005, remains valid through December 31, 2008. A Form W-8BEN furnished with a U.S. TIN will remain in effect until a change in circumstances makes any information on the form incorrect, provided that the withholding agent reports on Form 1042-S at least one payment annually to the beneficial owner who provided the Form W-8BEN. See the instructions for line 6

beginning on page 4 for circumstances under which you must provide a U.S. TIN.

Definitions

Beneficial owner. For payments other than those for which a reduced rate of withholding is claimed under an income tax treaty, the beneficial owner of income is generally the person who is required under U.S. tax principles to include the income in gross income on a tax return. A person is not a beneficial owner of income, however, to the extent that person is receiving the income as a nominee, agent, or custodian, or to the extent the person is a conduit whose participation in a transaction is disregarded. In the case of amounts paid that do not constitute income, beneficial ownership is determined as if the payment were income.

Foreign partnerships, foreign simple trusts, and foreign grantor trusts are not the beneficial owners of income paid to the partnership or trust. The beneficial owners of income paid to a foreign partnership are generally the partners in the partnership, provided that the partner is not itself a partnership, foreign simple or grantor trust, nominee or other agent. The beneficial owners of income paid to a foreign simple trust (that is, a foreign trust that is described in section 651(a)) are generally the beneficiaries of the trust, if the beneficiary is not a foreign partnership, foreign simple or grantor trust, nominee or other agent. The beneficial owners of a foreign grantor trust (that is, a foreign trust to the extent that all or a portion of the income of the trust is treated as owned by the grantor or another person under sections 671 through 679) are the persons treated as the owners of the trust. The beneficial owners of income paid to a foreign complex trust (that is, a foreign trust that is not a foreign simple trust or foreign grantor trust) is the trust itself.

For purposes of section 1446, the same beneficial owner rules apply, except that under section 1446 a foreign simple trust rather than the beneficiary provides the form to the partnership.

The beneficial owner of income paid to a foreign estate is the estate itself.

Note. A payment to a U.S. partnership, U.S. trust, or U.S. estate is treated as a payment to a U.S. payee that is not subject to 30% withholding. A U.S. partnership, trust, or estate should provide the withholding agent with a Form W-9. For purposes of section 1446, a U.S. grantor trust or disregarded entity shall not provide the withholding agent a Form W-9 in its own right. Rather, the grantor or other owner shall provide the withholding agent the appropriate form.

Foreign person. A foreign person includes a nonresident alien individual, a foreign corporation, a foreign partnership, a foreign trust, a foreign estate, and any other person that is not a U.S. person. It also includes a foreign branch or office of a U.S. financial institution or U.S. clearing organization if the foreign branch is a qualified intermediary. Generally, a payment to a U.S. branch of a foreign person is a payment to a foreign person.

Nonresident alien individual. Any individual who is not a citizen or resident alien of the United States is a nonresident alien individual. An alien individual meeting either the "green card test" or the "substantial presence

test" for the calendar year is a resident alien. Any person not meeting either test is a nonresident alien individual. Additionally, an alien individual who is a resident of a foreign country under the residence article of an income tax treaty, or an alien individual who is a bona fide resident of Puerto Rico, Guam, the Commonwealth of the Northern Mariana Islands, the U.S. Virgin Islands, or American Samoa is a nonresident alien individual. See Pub. 519, U.S. Tax Guide for Aliens, for more information on resident and nonresident alien status.

Even though a nonresident alien individual married to a U.S. citizen or resident alien may choose to be treated as a resident alien for certain purposes (for example, filing a joint income tax return), such individual is still treated as a nonresident alien for withholding tax purposes on all income except wages.

Flow-through entity. A flow-through entity is a foreign partnership (other than a withholding foreign partnership), a foreign simple or foreign grantor trust (other than a withholding foreign trust), or, for payments for which a reduced rate of withholding is claimed under an income tax treaty, any entity to the extent the entity is considered to be fiscally transparent (see below) with respect to the payment by an interest holder's jurisdiction.

For purposes of section 1446, a foreign partnership or foreign grantor trust must submit Form W-8IMY to establish the partnership or grantor trust as a look through entity. The Form W-8IMY may be accompanied by this form or another version of Form W-8 or Form W-9 to establish the foreign or domestic status of a partner or grantor or other owner. See Regulations section 1.1446-1.

Hybrid entity. A hybrid entity is any person (other than an individual) that is treated as fiscally transparent (see below) in the United States but is not treated as fiscally transparent by a country with which the United States has an income tax treaty. Hybrid entity status is relevant for claiming treaty benefits. See the instructions for line 9c on page 5.

Reverse hybrid entity. A reverse hybrid entity is any person (other than an individual) that is not fiscally transparent under U.S. tax law principles but that is fiscally transparent under the laws of a jurisdiction with which the United States has an income tax treaty. See the instructions for line 9c on page 5.

Fiscally transparent entity. An entity is treated as fiscally transparent with respect to an item of income for which treaty benefits are claimed to the extent that the interest holders in the entity must, on a current basis, take into account separately their shares of an item of income paid to the entity, whether or not distributed, and must determine the character of the items of income as if they were realized directly from the sources from which realized by the entity. For example, partnerships, common trust funds, and simple trusts or grantor trusts are generally considered to be fiscally transparent with respect to items of income received by them.

Disregarded entity. A business entity that has a single owner and is not a corporation under Regulations section 301.7701-2(b) is disregarded as an entity separate from its owner.

A disregarded entity shall not submit this form to a partnership for purposes of section 1446. Instead, the owner of such entity shall provide appropriate documentation. See Regulations section 1.1446-1.

Amounts subject to withholding. Generally, an amount subject to withholding is an amount from sources within the United States that is fixed or determinable annual or periodical (FDAP) income. FDAP income is all income included in gross income, including interest (as well as OID), dividends, rents, royalties, and compensation. FDAP income does not include most gains from the sale of property (including market discount and option premiums).

For purposes of section 1446, the amount subject to withholding is the foreign partner's share of the partnership's effectively connected taxable income.

Withholding agent. Any person, U.S. or foreign, that has control, receipt, or custody of an amount subject to withholding or who can disburse or make payments of an amount subject to withholding is a withholding agent. The withholding agent may be an individual, corporation, partnership, trust, association, or any other entity, including (but not limited to) any foreign intermediary, foreign partnership, and U.S. branches of certain foreign banks and insurance companies. Generally, the person who pays (or causes to be paid) the amount subject to withholding to the foreign person (or to its agent) must withhold.

For purposes of section 1446, the withholding agent is the partnership conducting the trade or business in the United States. For a publicly traded partnership, the withholding agent may be the partnership, a nominee holding an interest on behalf of a foreign person, or both. See Regulations sections 1.1446-1 through 1.1446-6.

Specific Instructions

A hybrid entity should give Form W-8BEN to a withholding agent only for income for which it is claiming a reduced rate of withholding under an income tax treaty. A reverse hybrid entity should give Form W-8BEN to a withholding agent only for income for which no treaty benefit is being claimed.

Part I

Line 1. Enter your name. If you are a disregarded entity with a single owner who is a foreign person and you are not claiming treaty benefits as a hybrid entity, this form should be completed and signed by your foreign single owner. If the account to which a payment is made or credited is in the name of the disregarded entity, the foreign single owner should inform the withholding agent of this fact. This may be done by including the name and account number of the disregarded entity on line 8 (reference number) of the form. However, if you are a disregarded entity that is claiming treaty benefits as a hybrid entity, this form should be completed and signed by you.

Line 2. If you are a corporation, enter the country of incorporation. If you are another type of entity, enter the country under whose laws you are created, organized, or

governed. If you are an individual, enter N/A (for "not applicable").

Line 3. Check the one box that applies. By checking a box, you are representing that you qualify for this classification. You must check the box that represents your classification (for example, corporation, partnership, trust, estate, etc.) under U.S. tax principles. Do not check the box that describes your status under the law of the treaty country. If you are a partnership or disregarded entity receiving a payment for which treaty benefits are being claimed, you must check the "Partnership" or "Disregarded entity" box. If you are a sole proprietor, check the "Individual" box, not the "Disregarded entity" box.

Only entities that are tax-exempt under section 501 should check the "Tax-exempt organization" box. Such organizations should use Form W-8BEN only if they are claiming a reduced rate of withholding under an income tax treaty or some code exception other than section 501. Use Form W-8EXP if you are claiming an exemption from withholding under section 501.

Line 4. Your permanent residence address is the address in the country where you claim to be a resident for purposes of that country's income tax. If you are giving Form W-8BEN to claim a reduced rate of withholding under an income tax treaty, you must determine your residency in the manner required by the treaty. Do not show the address of a financial institution, a post office box, or an address used solely for mailing purposes. If you are an individual who does not have a tax residence in any country, your permanent residence is where you normally reside. If you are not an individual and you do not have a tax residence in any country, the permanent residence address is where you maintain your principal office.

Line 5. Enter your mailing address only if it is different from the address you show on line 4.

Line 6. If you are an individual, you are generally required to enter your social security number (SSN). To apply for an SSN, get Form SS-5 from a Social Security Administration (SSA) office or, if in the United States, you may call the SSA at 1-800-772-1213. Fill in Form SS-5 and return it to the SSA.

If you do not have an SSN and are not eligible to get one, you must get an individual taxpayer identification number (ITIN). To apply for an ITIN, file Form W-7 with the IRS. It usually takes 4-6 weeks to get an ITIN.

An ITIN is for tax use only. It does not entitle you to social security benefits or change your employment or immigration status under U.S. law.

If you are not an individual or you are an individual who is an employer or you are engaged in a U.S. trade or business as a sole proprietor, you must enter an employer identification number (EIN). If you do not have an EIN, you should apply for one on Form SS-4, Application for Employer Identification Number. If you are a disregarded entity claiming treaty benefits as a hybrid entity, enter your EIN.

A partner in a partnership conducting a trade or business in the United States will likely be allocated effectively connected taxable income. The partner is

required to file a U.S. federal income tax return and must have a U.S. taxpayer identification number (TIN).

You must provide a U.S. TIN if you are:

- Claiming an exemption from withholding under section 871(f) for certain annuities received under qualified plans,
- A foreign grantor trust with 5 or fewer grantors,
- Claiming benefits under an income tax treaty, or
- Submitting the form to a partnership that conducts a trade or business in the United States.

However, a U.S. TIN is not required to be shown in order to claim treaty benefits on the following items of income:

- Dividends and interest from stocks and debt obligations that are actively traded;
- Dividends from any redeemable security issued by an investment company registered under the Investment Company Act of 1940 (mutual fund);
- Dividends, interest, or royalties from units of beneficial interest in a unit investment trust that are (or were upon issuance) publicly offered and are registered with the SEC under the Securities Act of 1933; and
- Income related to loans of any of the above securities.

You may want to obtain and provide a U.S. TIN on Form W-8BEN even though it is not required. A Form W-8BEN containing a U.S. TIN remains valid for as long as your status and the information relevant to the certifications you make on the form remain unchanged provided at least one payment is reported to you annually on Form 1042-S.

Line 7. If your country of residence for tax purposes has issued you a tax identifying number, enter it here. For example, if you are a resident of Canada, enter your Social Insurance Number.

Line 8. This line may be used by the filer of Form W-8BEN or by the withholding agent to whom it is provided to include any referencing information that is useful to the withholding agent in carrying out its obligations. For example, withholding agents who are required to associate the Form W-8BEN with a particular Form W-8IMY may want to use line 8 for a referencing number or code that will make the association clear. A beneficial owner may use line 8 to include the number of the account for which he or she is providing the form. A foreign single owner of a disregarded entity may use line 8 to inform the withholding agent that the account to which a payment is made or credited is in the name of the disregarded entity (see instructions for line 1 on page 4).

Part II

Line 9a. Enter the country where you claim to be a resident for income tax treaty purposes. For treaty purposes, a person is a resident of a treaty country if the person is a resident of that country under the terms of the treaty.

Line 9b. If you are claiming benefits under an income tax treaty, you must have a U.S. TIN unless one of the exceptions listed in the line 6 instructions above applies.

Line 9c. An entity (but not an individual) that is claiming a reduced rate of withholding under an income tax treaty must represent that it:

- Derives the item of income for which the treaty benefit is claimed, and

- Meets the limitation on benefits provisions contained in the treaty, if any.

An item of income may be derived by either the entity receiving the item of income or by the interest holders in the entity or, in certain circumstances, both. An item of income paid to an entity is considered to be derived by the entity only if the entity is not fiscally transparent under the laws of the entity's jurisdiction with respect to the item of income. An item of income paid to an entity shall be considered to be derived by the interest holder in the entity only if:

- The interest holder is not fiscally transparent in its jurisdiction with respect to the item of income, and
- The entity is considered to be fiscally transparent under the laws of the interest holder's jurisdiction with respect to the item of income. An item of income paid directly to a type of entity specifically identified in a treaty as a resident of a treaty jurisdiction is treated as derived by a resident of that treaty jurisdiction.

If an entity is claiming treaty benefits on its own behalf, it should complete Form W-8BEN. If an interest holder in an entity that is considered fiscally transparent in the interest holder's jurisdiction is claiming a treaty benefit, the interest holder should complete Form W-8BEN on its own behalf and the fiscally transparent entity should associate the interest holder's Form W-8BEN with a Form W-8IMY completed by the entity.

An income tax treaty may not apply to reduce the amount of any tax on an item of income received by an entity that is treated as a domestic corporation for U.S. tax purposes. Therefore, neither the domestic corporation nor its shareholders are entitled to the benefits of a reduction of U.S. income tax on an item of income received from U.S. sources by the corporation.

To determine whether an entity meets the limitation on benefits provisions of a treaty, you must consult the specific provisions or articles under the treaties. Income tax treaties are available on the IRS website at www.irs.gov.

If you are an entity that derives the income as a resident of a treaty country, you may check this box if the applicable income tax treaty does not contain a "limitation on benefits" provision.

Line 9d. If you are a foreign corporation claiming treaty benefits under an income tax treaty that entered into force before January 1, 1987 (and has not been renegotiated) on (a) U.S. source dividends paid to you by another foreign corporation or (b) U.S. source interest paid to you by a U.S. trade or business of another foreign corporation, you must generally be a "qualified resident" of a treaty country. See section 884 for the definition of interest paid by a U.S. trade or business of a foreign corporation ("branch interest") and other applicable rules.

In general, a foreign corporation is a qualified resident of a country if any of the following apply.

- It meets a 50% ownership and base erosion test.
- It is primarily and regularly traded on an established securities market in its country of residence or the United States.
- It carries on an active trade or business in its country of residence.
- It gets a ruling from the IRS that it is a qualified resident.

See Regulations section 1.884-5 for the requirements that must be met to satisfy each of these tests.

If you are claiming treaty benefits under an income tax treaty entered into force after December 31, 1986, do not check box 9d. Instead, check box 9c.

Line 9e. Check this box if you are related to the withholding agent within the meaning of section 267(b) or 707(b) and the aggregate amount subject to withholding received during the calendar year will exceed \$500,000. Additionally, you must file Form 8833, Treaty-Based Return Position Disclosure Under Section 6114 or 7701(b).

Line 10

Line 10 must be used only if you are claiming treaty benefits that require that you meet conditions not covered by the representations you make in lines 9a through 9e. However, this line should always be completed by foreign students and researchers claiming treaty benefits. See *Scholarship and fellowship grants* below for more information.

The following are additional examples of persons who should complete this line.

- Exempt organizations claiming treaty benefits under the exempt organization articles of the treaties with Canada, Mexico, Germany, and the Netherlands.
- Foreign corporations that are claiming a preferential rate applicable to dividends based on ownership of a specific percentage of stock.
- Persons claiming treaty benefits on royalties if the treaty contains different withholding rates for different types of royalties.

This line is generally not applicable to claiming treaty benefits under an interest or dividends (other than dividends subject to a preferential rate based on ownership) article of a treaty.

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes. The individual must use Form W-9 to claim the tax treaty benefit. See the instructions for Form W-9 for more information. Also see *Nonresident alien student or researcher who becomes a resident alien* later for an example.

Scholarship and fellowship grants. A nonresident alien student (including a trainee or business apprentice) or researcher who receives noncompensatory scholarship or fellowship income may use Form W-8BEN to claim benefits under a tax treaty that apply to reduce or eliminate U.S. tax on such income. No Form W-8BEN is required unless a treaty benefit is being claimed. A nonresident alien student or researcher who receives compensatory scholarship or fellowship income must use Form 8233 to claim any benefits of a tax treaty that apply to that income. The student or researcher must use Form W-4 for any part of such income for which he or she is not claiming a tax treaty withholding exemption. Do not use Form W-8BEN for compensatory scholarship or

fellowship income. See *Compensation for Dependent Personal Services* in the Instructions for Form 8233.

If you are a nonresident alien individual who received noncompensatory scholarship or fellowship income and personal services income (including compensatory scholarship or fellowship income) from the same withholding agent, you may use Form 8233 to claim a tax treaty withholding exemption for part or all of both types of income.

Completing lines 4 and 9a. Most tax treaties that contain an article exempting scholarship or fellowship grant income from taxation require that the recipient be a resident of the other treaty country at the time of, or immediately prior to, entry into the United States. Thus, a student or researcher may claim the exemption even if he or she no longer has a permanent address in the other treaty country after entry into the United States. If this is the case, you may provide a U.S. address on line 4 and still be eligible for the exemption if all other conditions required by the tax treaty are met. You must also identify on line 9a the tax treaty country of which you were a resident at the time of, or immediately prior to, your entry into the United States.

Completing line 10. You must complete line 10 if you are a student or researcher claiming an exemption from taxation on your scholarship or fellowship grant income under a tax treaty.

Nonresident alien student or researcher who becomes a resident alien.

You must use Form W-9 to claim an exception to a saving clause. See *Nonresident alien who becomes a resident alien* on this page for a general explanation of saving clauses and exceptions to them.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would complete Form W-9.

Part III

If you check this box, you must provide the withholding agent with the required statement for income from a notional principal contract that is to be treated as income not effectively connected with the conduct of a trade or business in the United States. You should update this statement as often as necessary. A new Form W-8BEN is not required for each update provided the form otherwise remains valid.

Part IV

Form W-8BEN must be signed and dated by the beneficial owner of the income, or, if the beneficial owner is not an individual, by an authorized representative or

officer of the beneficial owner. If Form W-8BEN is completed by an agent acting under a duly authorized power of attorney, the form must be accompanied by the power of attorney in proper form or a copy thereof specifically authorizing the agent to represent the principal in making, executing, and presenting the form. Form 2848, Power of Attorney and Declaration of Representative, may be used for this purpose. The agent, as well as the beneficial owner, may incur liability for the penalties provided for an erroneous, false, or fraudulent form.

Broker transactions or barter exchanges. Income from transactions with a broker or a barter exchange is subject to reporting rules and backup withholding unless Form W-8BEN or a substitute form is filed to notify the broker or barter exchange that you are an exempt foreign person.

You are an exempt foreign person for a calendar year in which:

- You are a nonresident alien individual or a foreign corporation, partnership, estate, or trust;
- You are an individual who has not been, and does not plan to be, present in the United States for a total of 183 days or more during the calendar year; and
- You are neither engaged, nor plan to be engaged during the year, in a U.S. trade or business that has effectively connected gains from transactions with a broker or barter exchange.

NOTICE OF NON-VOTING STATUS WITH RESPECT TO
CERTAIN CLAIMS AND INTERESTS

PLEASE TAKE NOTICE that on December 10, 2007 the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") entered an order (the "Solicitation Procedures Order") (Docket No. 11389) (i) approving the disclosure statement (the "Disclosure Statement") with respect to the First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-In-Possession (the "Plan"), filed by Delphi Corporation and its affiliated debtors and debtors-in-possession (the "Debtors") and (ii) authorizing the Debtors to solicit votes on the Plan.

PLEASE TAKE FURTHER NOTICE that under the Solicitation Procedures Order, the provisions of chapter 11 of the Bankruptcy Code¹, and the Plan, holders of certain claims or interests under the Plan are not entitled to vote. Specifically, the Plan provides that Class I Claims, also known as "Other Interests," are comprised of options, warrants, call rights, puts, awards, or other agreements to acquire Existing Common Stock. Holders of Other Interests shall not receive or retain any property on account of such Other Interests under the Plan and are therefore deemed to have rejected the Plan. Moreover, holders of claims to which the Debtors filed an objection to expunge such claims, which objection is still pending ("Disputed Claims"), and holders of claims which were scheduled or filed as contingent ("Contingent Claims"), are not entitled to vote on the Plan.

PLEASE TAKE FURTHER NOTICE **that your claim or interest is either a Class I Claim, a Disputed Claim, or a Contingent Claim, and you are accordingly not entitled to vote on the Plan.**

PLEASE TAKE FURTHER NOTICE that if your claim is a Disputed Claim or a Contingent Claim and you disagree with the Debtors' objection to your claim or interest and wish to vote on the Plan, or if you otherwise believe that you should be entitled to vote on the Plan, then you must (a) have timely filed a proof of claim by the applicable bar date or your proof of claim must be deemed timely filed by an order of the Bankruptcy Code before **7:00 p.m.** (prevailing Eastern time) on **January 11, 2008** (the "Voting Deadline"), (b) contact Kurtzman Carson Consultants LLC at 2335 Alaska Avenue, El Segundo, California 90245, (888) 249-2691 (the "Creditor Voting Agent") to obtain a ballot and return the ballot by the Voting Deadline, and (c) timely file and serve a motion ("Rule 3018(a) Motion") under Bankruptcy Rule 3018(a) for

The deadline for filing and serving Rule 3018 Motions is **January 2, 2008 at 4:00 p.m.** (prevailing Eastern time) (the "Rule 3018(a) Motion Deadline"); provided, however, that if the Debtors object to a claim or interest after December 21, 2007, the Rule 3018(a) Motion Deadline would be extended for that claim or interest such that the deadline would be ten days following the filing of the Debtors' objection. Rule 3018(a) Motions must be filed with the Clerk of the Court on or before the Rule 3018(a) Motion Deadline and served so as to be received by the Notice Parties (as defined in the Solicitation Procedures Order) by the Rule 3018(a) Motion Deadline in accordance with the procedures set forth in the Solicitation Procedures Order.

PLEASE TAKE FURTHER NOTICE that copies of the Disclosure Statement, the Plan, and any exhibits thereto are publicly available, along with the docket and other case information, at www.delphidocket.com. This information may also be obtained, upon reasonable written request, from the Creditor Voting Agent at its address set forth above.

Drain, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 610, New York, New York 10004. PLEASE TAKE FURTHER NOTICE THAT **January 11, 2008 at 4:00 p.m.** (prevailing Eastern time) is fixed as the last date and time for filing and serving objections to confirmation of the Plan (the "Objection Deadline"). NOTICE TO UNIMPAIRED CREDITORS OF (I) FILING OF FIRST AMENDED JOINT PLAN OF
REORGANIZATION, (II) TREATMENT OF CLAIMS UNDER PLAN,
(III) HEARING ON CONFIRMATION OF PLAN, AND
(IV) DEADLINE AND PROCEDURES FOR FILING OBJECTIONS THERETO

PLEASE TAKE NOTICE that on December 10, 2007 the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") entered an order (the "Solicitation Procedures Order") (Docket No. 11389) (i) approving the disclosure statement (the "Disclosure Statement") with respect to the First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-In-Possession (the "Plan"), filed by Delphi Corporation and its affiliated debtors and debtors-in-possession (the "Debtors") and (ii) authorizing the Debtors to solicit votes on the Plan.

PLEASE TAKE FURTHER NOTICE that holders of certain claims under the Plan are unimpaired as defined in section 1124 of chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code"). Specifically, holders of Secured Claims,¹ Flow-Through Claims,² and Interests in Affiliate Debtors are unimpaired under the Plan. Such claims are identified in the Plan as Class A (Secured Claims), Class B (Flow-Through Claims), and Class J (Interests in Affiliate Debtors). These claims are referred to in the Plan as "Unimpaired Claims."

PLEASE TAKE FURTHER NOTICE that the Plan provides that:

Section 5.1—Class A Claims. Except as otherwise provided in and subject to Article 9.8 of the Plan, at the sole option of the Debtors or Reorganized Debtors, each Allowed Secured Claim, shall be satisfied in full in Cash or Reinstated. Notwithstanding section 1141(c) or any other provision of the Bankruptcy Code, all valid, enforceable, and perfected prepetition liens on

¹ Unless otherwise defined herein, capitalized terms have the meanings ascribed to them in the Plan.

² For ease of reference, "Flow-Through Claims" are defined under Article 1.85 of the Plan as a "claim arising from (a) an Ordinary Course Customer Obligation to a customer of Delphi as of the date of the commencement of the hearing on the Disclosure Statement, (b) an Environmental Obligation (excluding those environmental obligations that were settled or capped during the Chapter 11 Cases (to the extent in excess of the capped amount)), (c) an Employee Related Obligation (including worker compensation and unemployment compensation claims) asserted by an hourly employee that is not otherwise waived pursuant to the Union Settlement Agreements, (d) any Employee Related Obligation asserted by a salaried, non-executive employee who was employed by Delphi as of the date of the commencement of the hearing on the Disclosure Statement, (e) any Employee Related Obligation asserted by a salaried executive employee who was employed by Delphi as of the date of the commencement of the hearing on the Disclosure Statement and has entered into a new employment agreement as described in Article 7.8 of the Plan, and (f) litigation exposures and other liabilities arising from litigation that are covered by insurance, but only in the event that the party asserting the litigation ultimately agrees to limit its recovery to available insurance proceeds; provided, however, that all Estate Causes of Action and defenses to any Flow-Through Claim shall be fully preserved."

property of the Debtors held by or on behalf of holders of Secured Claims with respect to such Claims shall survive the Effective Date and continue in accordance with the contractual terms of the underlying agreements with such holders of such Secured Claims and/or applicable law until, as to each such holder of an Allowed Secured Claim, such Secured Claim is satisfied. Notwithstanding the foregoing, any Claim arising as a result of a tax lien that would otherwise be a Secured Claim shall be paid in accordance with Article 2.2 of the Plan.

Section 5.2—Class B Claims. The legal, equitable, and contractual rights of each holder of a Flow-Through Claim, if any, shall be unaltered by the Plan and shall be satisfied in the ordinary course of business at such time and in such manner as the applicable Reorganized Debtor is obligated to satisfy each Flow-Through Claim (subject to the preservation and flow-through of all Estate Causes of Action and defenses with respect thereto, which shall be fully preserved). The Debtors' failure to object to a Flow-Through Claim in their Chapter 11 Cases shall be without prejudice to the Reorganized Debtors' right to contest or otherwise object to the classification of such Claim in the Bankruptcy Court.

Section 5.11—Class J Interests. On the Effective Date, except as otherwise contemplated by the Restructuring Transactions, the holders of Interests in the Affiliate Debtors shall retain such Interests in the Affiliate Debtors under the Plan.

PLEASE TAKE FURTHER NOTICE that you have been identified as the holder of an Unimpaired Claim under the Plan. In accordance with section 1126(f) of the Bankruptcy Code, with respect to your Unimpaired Claim, you will (a) be deemed to have accepted the Plan and (b) not be entitled to vote on the Plan. The Debtors therefore will not solicit your vote, and you will not receive a ballot with respect to your Unimpaired Claim. Accordingly, this may be the final notice you receive with respect to the Plan and with respect to your Unimpaired Claim. Although you will not be entitled to vote on the Plan with respect to your Unimpaired Claim, you are a party-in-interest in the Debtors' Chapter 11 Cases. Accordingly, you are entitled to participate in the Chapter 11 Cases, including by filing objections to confirmation of the Plan.

PLEASE TAKE FURTHER NOTICE that copies of the Disclosure Statement, the Plan, and any exhibits thereto are publicly available along with the docket and other case information by accessing the Delphi Legal Information Website at www.delphidocket.com and may also be obtained, upon reasonable written request, from the Creditor Voting Agent at the following address: Kurtzman Carson Consultants LLC, 2335 Alaska Avenue, El Segundo, California 90245, (888) 249-2691.

Drain, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 610, New York, New York 10004. The Confirmation Hearing may be adjourned from time to time by announcing the adjournment in open court, and the Plan may be further modified, if necessary, under 11 U.S.C. § 1127 before, during, or as a result of the Confirmation Hearing, without further notice to parties-in-interest.

PLEASE TAKE FURTHER NOTICE THAT **January 11, 2008 at 4:00 p.m.** (prevailing Eastern time) (the "Objection Deadline") is fixed as the last date and time for filing and serving objections to confirmation of the Plan. INTERNATIONAL UNION, UNITED AUTOMOBILE, AEROSPACE AND
AGRICULTURAL IMPLEMENT WORKERS OF AMERICA (UAW)

TO: UAW-Represented Employees and Former Employees of Delphi
Corporation Receiving Ballots For Voting on Delphi's Reorganization Plan

FROM: The UAW

Delphi has informed the UAW that you submitted a proof of claim that may be a claim for wages or pension, health or post-employment benefits under the collective bargaining relationship between the UAW and Delphi. This past summer, the UAW, GM and Delphi reached a settlement that was ratified by the UAW's membership and approved by the bankruptcy court. You received a notice about that settlement when it was presented for court approval. Claims filed by individual employees and former employees, and by the UAW on their behalf, are now subject to the UAW-GM-Delphi settlement. Depending on what type of claim you submitted, that claim may be released once Delphi emerges from bankruptcy as part of the settlement.

The enclosed ballot materials are being sent to individual claimholders whose claims are listed on Delphi's claims docket so that they may, if they wish, cast a vote for or against Delphi's reorganization plan. The materials in this package explain how to cast a vote and how different types of claimholders will receive recoveries under Delphi's reorganization plan. Employees and former employees like you received ballots because their claims are currently listed on Delphi's claims docket and may remain on Delphi's claims docket until Delphi emerges from bankruptcy. Upon Delphi's emergence from bankruptcy, your claim may be released whether as a result of the settlement or otherwise. Certain other claims that you may hold (such as a benefit that is continuing, or a grievance that was filed, or a workers' compensation or an unemployment claim) that were not waived by the settlement will flow through the Chapter 11 and will thus remain an obligation of Delphi's after the emergence. To the extent your claim is released, Delphi may object to your claim after it emerges from bankruptcy. You will receive notice of any such objection and you may reply at that time if you wish.

Receipt of the ballot in this package does not mean that your claim is not subject to a release or that you will receive any recovery on your claim. This is because your claim is now subject to the terms of the UAW-GM-Delphi settlement ratified and approved this past summer. Receipt of the ballot only means that your individual claim remains on Delphi's claims docket and therefore you may, if you wish, submit a vote on Delphi's plan.

**NOTICE OF APPROVAL OF DELPHI'S DISCLOSURE STATEMENT,
HEARING ON CONFIRMATION OF PROPOSED PLAN OF
REORGANIZATION AND PROPOSED RELEASES UNDER THE PLAN**

**Information For IAM-Represented
Employees And Retirees Of Delphi Corporation**

On August 16, 2007, the United States Bankruptcy Court for the Southern District of New York (the "Court") approved six Memoranda Of Understanding Among the international union and/or certain local unions affiliated with the International Association of Machinists and Aerospace Workers, the International Brotherhood of Electrical Workers, and the International Union of Operating Engineers, respectively, Delphi Corporation And Certain Of Its Affiliated Debtors And Debtors-in-Possession ("Delphi"), and General Motors Corporation ("GM"), Including Modification Of IUOE, IBEW, And IAM Collective Bargaining Agreements And Retiree Welfare Benefits For Certain IUOE, IBEW, And IAM-Represented Retirees dated July 31 and August 1, 2007 (the "Settlement Agreements"). One of the Settlement Agreements dated July 31, 2007, pertains to the IAM (the "IAM Settlement Agreement"),¹ and was ratified by the IAM as of August 4, 2007. On or about August 7, 2007, you received an informational notice that summarized certain terms of that agreement.

¹ Capitalized terms used and not defined in this informational notice have the meanings set forth in the IAM Settlement Agreement.

On December 10, 2007 the Court approved Delphi's disclosure statement (the "Disclosure Statement") with respect to the First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-In-Possession (the "Plan"). **The Disclosure Statement and Plan filed by Delphi are consistent in all respects with the Memorandum of Understanding that was negotiated between Delphi, IAM and GM, ratified by the IAM membership, and approved by the Court.** The hearing to consider confirmation of the Plan (the "Confirmation Hearing") is scheduled to commence on January 17, 2008 at 10:00 a.m. (prevailing Eastern time). January 11, 2008 at 4:00 p.m. (prevailing Eastern time) is the deadline for filing and serving objections to confirmation of the Plan.

Several terms of the IAM Settlement Agreement have gone into effect based on the Court's approval of that agreement and the IAM's ratification of the IAM Settlement Agreement. The terms already in effect include, among others, an acknowledgement that the Delphi Electronics & Safety – Milwaukee operation is scheduled to be closed; an extension of the 2003 IAM – Delphi Electronics & Safety – Milwaukee Operations Agreements and all related agreements and understandings (the "IAM CBAs") until September 14, 2011, subject to their termination provisions; implementation of a workforce transition program for eligible IAM-represented employees; modification of certain terms of the IAM CBAs; and provisions for resolution of claims, including waivers and releases such that all employee, retiree, and union asserted and unasserted claims are settled (except for waiver of rights to vested pension benefits, workers compensation benefits, unemployment compensation benefits, and the right to pursue pending ordinary course grievance except for employees who have signed individual releases of claims).

The IAM Settlement Agreement provides that upon confirmation of the Plan by the Court, and Article 11.6 of the Plan provides, that Delphi and GM will be released by the IAM and all employees and former employees of Delphi represented or formerly represented by the IAM.

Article 11.14 of the Plan proposes that the releases under Article 11.6 of the Plan will act as an injunction against any person commencing or continuing any action or act to collect or recover any claim or interest released under the Plan.

Other terms of the IAM Settlement Agreement have not yet gone into effect. Those terms will become effective as part of Delphi's emergence from bankruptcy pursuant to a plan of reorganization which incorporates, approves, and is consistent with, among other things, all the terms of the IAM Settlement Agreement as approved by the Court and the comprehensive settlement agreements between Delphi and GM. The Plan, if approved by the Court at the Confirmation Hearing, allows Delphi to emerge from bankruptcy and triggers the effectiveness of the remaining terms of the IAM Settlement Agreement that was reached and ratified last summer. Among other terms, those terms include:

- Delphi's obligation to provide certain retiree welfare benefits will be eliminated and GM will be obligated to provide certain retiree welfare benefits for certain IAM-represented retirees and eligible employees covered as provided in the Term Sheet – Delphi Cessation and GM Provision of OPEB;

- Delphi's existing pension plan will be frozen in certain respects effective upon emergence from chapter 11 for certain covered IAM-represented employees as provided in Section D.2 of the IAM Settlement Agreement;
- The IAM Memorandum of Understanding (including certain IAM CBAs) will be assumed pursuant to 11 U.S.C. § 365;
- The IAM released parties will be exculpated and released in connection with the IAM Memorandum of Understanding and Delphi's chapter 11 cases; and
- **As set forth above, Delphi and GM will be released by the IAM, all employees and former employees of Delphi represented or formerly represented by the IAM, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising directly or indirectly from or in any way related to any obligations under the collective bargaining agreements or the IAM Memorandum of Understanding (except for claims for benefits provided for or explicitly not waived under the IAM Memorandum of Understanding, including, but not limited to, workers' compensation benefits and unemployment compensation benefits against Delphi, its subsidiaries, or affiliates that are otherwise assertable under applicable law).**

This information is only a summary of some of the terms of the Disclosure Statement, Plan, and IAM Settlement Agreement and is qualified entirely by and is subject to the actual terms and conditions of those documents. Complete copies of Delphi's Court papers, including the Disclosure Statement, Plan, and IAM Settlement Agreement, can be obtained at www.delphidocket.com or by calling 1-888-249-2691.

**NOTICE OF APPROVAL OF DELPHI'S DISCLOSURE STATEMENT,
HEARING ON CONFIRMATION OF PROPOSED PLAN OF
REORGANIZATION AND PROPOSED RELEASES UNDER THE PLAN**

**Information For IBEW-Represented
Employees And Retirees Of Delphi Corporation**

On August 16, 2007, the United States Bankruptcy Court for the Southern District of New York (the "Court") approved six Memoranda Of Understanding Among the international union and/or certain local unions affiliated with the International Association of Machinists and Aerospace Workers, the International Brotherhood of Electrical Workers, and the International Union of Operating Engineers, respectively, Delphi Corporation And Certain Of Its Affiliated Debtors And Debtors-in-Possession ("Delphi"), and General Motors Corporation ("GM"), Including Modification Of IUOE, IBEW, And IAM Collective Bargaining Agreements And Retiree Welfare Benefits For Certain IUOE, IBEW, And IAM-Represented Retirees dated July 31 and August 1, 2007 (the "Settlement Agreements"). Two of the Settlement Agreements pertain to the IBEW,¹ the first relates to Delphi Electronics and Safety (the "IBEW E&S

Settlement Agreement" or the "IBEW E&S Memorandum of Understanding") and the second relates to Delphi Powertrain (the "IBEW Powertrain Settlement Agreement" or the "IBEW Powertrain Memorandum of Understanding"). These IBEW Settlement Agreements were ratified by the IBEW as of August 4, 2007. On or about August 7, 2007, you received an informational notice that summarized certain terms of these agreements.

On December 10, 2007 the Court approved Delphi's disclosure statement (the "Disclosure Statement") with respect to the First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-In-Possession (the "Plan"). **The Disclosure Statement and Plan filed by Delphi are consistent in all respects with the Memorandum of Understanding that was negotiated between Delphi, the IBEW and GM, ratified by IBEW membership, and approved by the Court.** The hearing to consider confirmation of the Plan (the "Confirmation Hearing") is scheduled to commence on January 17, 2008 at 10:00 a.m. (prevailing Eastern time). January 11, 2008 at 4:00 p.m. (prevailing Eastern time) is the deadline for filing and serving objections to confirmation of the Plan.

The IBEW E&S Settlement Agreement and the IBEW Powertrain Settlement Agreement provide that upon confirmation of the Plan by the Court, and Article 11.6 of the Plan provides, that Delphi and GM will be released by the IBEW and all employees and former employees of Delphi represented or formerly represented by the IBEW.

Article 11.14 of the Plan proposes that the releases under Article 11.6 of the Plan will act as an injunction against any person commencing or continuing any action or act to collect or recover any claim or interest released under the Plan.

A summary of certain terms of the IBEW E&S Settlement Agreement and the IBEW Powertrain Settlement Agreement follows:

IBEW (Electronics & Safety)

Several terms of the IBEW E&S Settlement Agreement have gone into effect based on the Court's approval of that agreement and the IBEW's ratification of that agreement. The terms already in effect include, among others, an acknowledgement that the Delphi Electronics & Safety – Milwaukee operation is scheduled to be closed; an extension of the 2003 IBEW – Delphi E&S Agreements and all related agreements and understandings (the "IBEW CBAs") until September 14, 2011, subject to their termination provisions; implementation of a workforce transition program for eligible IBEW-represented employees; modification of certain terms of the IBEW CBAs; and provisions for resolution of claims, including waivers and releases such that all employee, retiree, and union asserted and unasserted claims are settled (except for waiver of rights to vested pension benefits, workers compensation benefits, unemployment compensation benefits, and the right to pursue pending ordinary course grievance except for employees who have signed individual releases of claims).

Other terms of the IBEW E&S Settlement Agreement have not yet gone into effect. Those terms will become effective as part of Delphi's emergence from bankruptcy pursuant to a plan of reorganization which incorporates, approves, and is consistent with, among other things, all the terms of the IBEW E&S Settlement Agreement as approved by the Court and the comprehensive settlement agreements between Delphi and GM. The Plan, if approved by the Court at the Confirmation Hearing, allows Delphi to emerge from bankruptcy and triggers the effectiveness of the remaining terms of the IBEW E&S Settlement Agreement that was reached and ratified last summer. Among other terms, those terms include:

- Delphi's obligation to provide certain retiree welfare benefits will be eliminated and GM will be obligated to provide certain retiree welfare benefits for certain IBEW-represented retirees and eligible employees covered as provided in the Term Sheet – Delphi Cessation and GM Provision of OPEB;
- Delphi's existing pension plan will be frozen in certain respects effective upon emergence from chapter 11 for certain covered IBEW-represented employees as provided in Section D.2 of the IBEW E&S Settlement Agreement;
- The IBEW E&S Memorandum of Understanding (including certain IBEW CBAs) will be assumed pursuant to 11 U.S.C. § 365;
- The IBEW released parties will be exculpated and released in connection with the IBEW E&S Memorandum of Understanding and Delphi's chapter 11 cases; and
- **As set forth above, Delphi and GM will be released by the IBEW, all employees and former employees of Delphi represented or formerly represented by the IBEW, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising directly or indirectly from or in any way related to any obligations under**

the collective bargaining agreements or the IBEW E&S Memorandum of Understanding (except for claims for benefits provided for or explicitly not waived under the IBEW E&S Memorandum of Understanding, including, but not limited to, workers' compensation benefits and unemployment compensation benefits against Delphi, its subsidiaries, or affiliates that are otherwise assertable under applicable law).

IBEW (Powertrain)

Several terms of the IBEW Powertrain Settlement Agreement have gone into effect based on the Court's approval of that agreement and the IBEW's ratification of that agreement. The terms already in effect include, among others, an acknowledgement that the Delphi Powertrain – Milwaukee operation is scheduled to be closed; an extension of the 2003 IBEW – Delphi Powertrain (formerly Delphi E&C) – Milwaukee Operations Agreements and all related agreements and understandings (the "IBEW CBAs") until September 14, 2011, subject to their termination provisions; implementation of a workforce transition program for eligible IBEW-represented employees; modification of certain terms of the IBEW CBAs; and provisions for resolution of claims, including waivers and releases such that all employee, retiree, and union asserted and unasserted claims are settled (except for waiver of rights to vested pension benefits, workers compensation benefits, unemployment compensation benefits, and the right to pursue pending ordinary course grievance except for employees who have signed individual releases of claims).

Other terms of the IBEW Powertrain Settlement Agreement have not yet gone into effect. Those terms will become effective as part of Delphi's emergence from bankruptcy pursuant to a plan of reorganization which incorporates, approves, and is consistent with, among other things, all the terms of the IBEW Powertrain Settlement Agreement as approved by the Court and the comprehensive settlement agreements between Delphi and GM. The Plan, if approved by the Court at the Confirmation Hearing, allows Delphi to emerge from bankruptcy and triggers the effectiveness of the remaining terms of the IBEW Powertrain Settlement Agreement that was reached and ratified last summer. Among other terms, those terms include:

- Delphi's obligation to provide certain retiree welfare benefits will be eliminated and GM will be obligated to provide certain retiree welfare benefits for certain IBEW-represented retirees and eligible employees covered as provided in the Term Sheet – Delphi Cessation and GM Provision of OPEB;
- Delphi's existing pension plan will be frozen in certain respects effective upon emergence from chapter 11 for certain covered IBEW-represented employees as provided in Section D.2 of the IBEW Powertrain Settlement Agreement;
- The Memorandum of Understanding (including certain IBEW CBAs) will be assumed pursuant to 11 U.S.C. § 365;
- The IBEW released parties will be exculpated and released in connection with the IBEW Powertrain Memorandum of Understanding and Delphi's chapter 11 cases; and
- **As set forth above, Delphi and GM will be released by the IBEW, all employees and former employees of Delphi represented or formerly represented by the IBEW, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising directly or**

indirectly from or in any way related to any obligations under the collective bargaining agreements or the IBEW Powertrain Memorandum of Understanding (except for claims for benefits provided for or explicitly not waived under the IBEW Powertrain Memorandum of Understanding, including, but not limited to, workers' compensation benefits and unemployment compensation benefits against Delphi, its subsidiaries, or affiliates that are otherwise assertable under applicable law).

(the "IUOE Settlement Agreements").¹ The IUOE Settlement Agreements relating to Local 832S and Local 18S were ratified, respectively, as of August 9 and August 10, 2007, and the IUOE Settlement Agreement relating to Local 101S did not require ratification because there were no active bargaining unit members at the Olathe International Union of Operating Engineers Local 101S site. On or about August 7, 2007, you received an informational notice that summarized certain terms of these agreements.

On December 10, 2007 the Court approved Delphi's disclosure statement (the "Disclosure Statement") with respect to the First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-In-Possession (the "Plan"). **The Disclosure Statement and Plan filed by Delphi are consistent in all respects with the Memorandum of Understanding that was negotiated between Delphi, IUOE and GM, ratified by applicable IUOE membership, and approved by the Court.** The hearing to consider confirmation of the Plan (the "Confirmation Hearing") is scheduled to commence on January 17, 2008 at 10:00 a.m. (prevailing Eastern time). January 11, 2008 at 4:00 p.m. (prevailing Eastern time) is the deadline for filing and serving objections to confirmation of the Plan.

The IUOE Settlement Agreements provide that upon confirmation of the Plan by the Court, and Article 11.6 of the Plan provides, that Delphi and GM will be released by the IUOE and all employees and former employees of Delphi represented or formerly represented by the IUOE.

Article 11.14 of the Plan proposes that the releases under Article 11.6 of the Plan will act as an injunction against any person commencing or continuing any action or act to collect or recover any claim or interest released under the Plan.

¹ Capitalized terms used and not defined in this informational notice have the meanings set forth in the Non-Represented Term Sheet.

On or about August 7, 2007, you received an informational notice that summarized certain terms of the Non-Represented Term Sheet.

On August 16, 2007, the Court approved the Modification and the Non-Represented Term Sheet.

On December 10, 2007 the Court approved Delphi's disclosure statement (the "Disclosure Statement") with respect to the First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-In-Possession (the "Plan"). **The Disclosure Statement and Plan filed by Delphi are consistent in all respects with the Non-Represented Term Sheet that was negotiated between Delphi and GM and approved by the Court.** The hearing to consider confirmation of the Plan (the "Confirmation Hearing") is scheduled to commence on January 17, 2008 at 10:00 a.m. (prevailing Eastern time). January 11, 2008 at 4:00 p.m. (prevailing Eastern time) is the deadline for filing and serving objections to confirmation of the Plan.

Article 11.6 of the Plan provides that Delphi and GM will be released by all employees and former employees of Delphi represented or formerly represented by its unions.

Article 11.14 of the Plan proposes that the releases under Article 11.6 of the Plan will act as an injunction against any person commencing or continuing any action or act to collect or recover any claim or interest released under the Plan.

A summary of the Modification and Non-Represented Term Sheet follows:

On August 3, 2007, Delphi and GM agreed to the treatment of certain **non-represented hourly active employees and retirees** in the Non-Represented Term Sheet. The Non-Represented Term Sheet and the Modification relating to modification of retiree welfare benefits for certain non-represented hourly active employees and retirees was submitted to the Court on August 6, 2007. On August 16, 2007, the Court approved the Non-Represented Term Sheet and the Modification pursuant to 11 U.S.C. § 363, allowing Delphi's cessation and GM's provision of certain benefits for such employees.

Upon the Effective Date of the Non-Represented Term Sheet, GM will provide post-retirement medical benefits to certain of the non-represented hourly active employees and retirees in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Health Care Program for Hourly Employees and GM will provide the applicable level of post-retirement medical benefits to certain of the non-represented hourly active employees and retirees consistent with the terms of the Modified Plan, as defined in the settlement agreement approved by the court in the case IUE, et al. v. General Motors Corporation (case number 2:06-cv-12151), on the same basis as such benefits are provided to GM-IUE-CWA hourly employees who retired from GM with eligibility to participate in the GM Health Care Program.

Further, GM will provide all employer-paid post-retirement Basic Life Insurance benefits to certain of the non-represented hourly active employees and retirees in accordance with all the ongoing terms, conditions, and eligibility requirements of the GM Life and Disability Benefits Program for Hourly Employees and at the level provided for non-represented hourly

retirees on the date immediately preceding the GM's provision of such benefits, provided, however, that GM will not be required to provide life insurance benefits at a level and scope that exceeds that being provided for similarly situated IBEW- or IAM-represented hourly retirees of GM.

Delphi and GM will also receive releases from all non-represented hourly employees and former hourly employees of Delphi, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising from or related to any obligations of Delphi, GM and/or such employee benefits plans to provide OPEB or pension benefits, or related in any way to the amendment and freeze of the Delphi HRP or the cessation of Delphi OPEB (except for claims for benefits provided for or explicitly not waived under the Non-Represented Term Sheet).

This information is only a summary of some of the terms of the Disclosure Statement, Plan, Modification, and the Non-Represented Term Sheet and is qualified entirely by and is subject to the actual terms and conditions of those documents, or in the case of the Modification, the Court's order allowing the Modification. The UAW ratified the Agreement on June 28, 2007. On or about July 2, 2007, you received an informational notice that summarized certain terms of the Agreement.

On December 10, 2007 the Court approved Delphi's disclosure statement (the "Disclosure Statement") with respect to the First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-In-Possession (the "Plan"). **The Disclosure Statement and Plan filed by Delphi are consistent in all respects with the**

¹ Capitalized terms used and not defined in this informational notice have the meanings set forth in the Agreement.

Memorandum of Understanding that was negotiated between Delphi, UAW and GM, ratified by UAW membership, and approved by the Court. The hearing to consider confirmation of the Plan (the "Confirmation Hearing") is scheduled to commence on January 17, 2008 at 10:00 a.m. (prevailing Eastern time). January 11, 2008 at 4:00 p.m. (prevailing Eastern time) is the deadline for filing and serving objections to confirmation of the Plan.

Several terms of the Memorandum of Understanding have gone into effect based on the Court's approval and the UAW's ratification of the Memorandum of Understanding. The terms already in effect include, among others, an extension of the UAW collective bargaining agreements until September 14, 2011; implementation of site plans with respect to each of 21 UAW-Delphi plants; implementation of a workforce transformation program for traditional UAW-represented employees; modification of certain terms of the 2004 UAW-Delphi Supplemental Agreement; expedited local competitive operating negotiations; reaffirmation of Delphi's commitment in the 2004 UAW-Delphi Supplemental Agreement to the principle of "equivalence of sacrifice" when establishing compensation and benefit levels for salaried employees and management; provisions for resolution of claims, including waivers and releases such that all employee, retiree, and union asserted and unasserted claims are settled (except for rights, if any, to vested pension benefits, workers' compensation benefits, unemployment compensation benefits, and pending ordinary course grievances of employees remaining in the workforce); and establishment of the UAW's allowed prepetition claim.

The Agreement provides that upon confirmation of the Plan by the Court, and Article 11.6 of the Plan provides, that Delphi and GM will be released by the UAW and all employees and former employees of Delphi represented or formerly represented by the UAW.

Article 11.14 of the Plan proposes that the releases under Article 11.6 of the Plan will act as an injunction against any person commencing or continuing any action or act to collect or recover any claim or interest released under the Plan.

Other terms of the Memorandum of Understanding have not yet gone into effect. Those terms will become effective as part of Delphi's emergence from bankruptcy pursuant to a plan of reorganization which incorporates, approves, and is consistent with, among other things, all the terms of the Memorandum of Understanding as approved by the Court and the comprehensive settlement agreements between Delphi and GM. The Plan, if approved by the Court at the Confirmation Hearing, allows Delphi to emerge from bankruptcy and triggers the effectiveness of the remaining terms of the Memorandum of Understanding that was reached and ratified last summer. Among other terms, those terms include:

- Delphi's obligation to provide certain retiree welfare benefits will be eliminated and GM will be obligated to provide certain retiree welfare benefits for certain UAW-represented employees covered as provided in the Benefit Guarantee Term Sheet;
- A transfer of certain pension assets and liabilities from Delphi's pension plans to GM's pension plans will be effectuated pursuant to Internal Revenue Code Section 414(l) in exchange for certain consideration to be paid by Delphi to GM;

- Delphi's existing pension plan will be frozen in certain respects and GM will be obligated to pay certain benefits for certain UAW-represented employees covered as provided in the Benefit Guarantee Term Sheet;
- The amount of \$450 million will be funded by GM, which the UAW has directed to be paid directly to the DC VEBA established pursuant to a settlement agreement approved by the court in the case of International Union, UAW, et al. v. General Motors Corp., Civil Action No. 05-73991.

Under Delphi's Plan, and consistent with the Memorandum of Understanding reached and ratified last summer :

- The Memorandum of Understanding (including the UAW collective bargaining agreements) will be assumed pursuant to 11 U.S.C. § 365;
- **As set forth above, Delphi and GM will be released by the UAW, all employees and former employees of Delphi represented or formerly represented by the UAW, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising directly or indirectly from or in any way related to any obligations under the collective bargaining agreements or the Memorandum of Understanding (except for claims for benefits provided for or explicitly not waived under the Memorandum of Understanding, including, but not limited to, claims for workers' compensation benefits against Delphi, its subsidiaries, or affiliates).**

This information is only a summary of some of the terms of the Disclosure Statement, Plan, and Memorandum of Understanding and is qualified entirely by and is subject to the actual terms and conditions of those documents.
